Who Dat??? Hope you had a super weekend and congratulations to all of you New Orleans Saints fans. Just to let you know, the Saints were not the only ones celebrating this weekend. We had numerous Cougars who produced outstanding showings at district events.

As you know, for years Cypress Creek has had one of the top swim programs in this area, state, and nation. Nothing changed this past weekend at the Cy-Fair ISD District swim meet as our boys' swim team won their 25<sup>th</sup> district title in 32 years. This was also their fifth year in a row as district champs as they beat the nearest competitor, Cy-Fair, by 9.5 points in an exciting duel to cap one of the most exciting district meets in memory. Cougar Jonathon Edwards was named male swimmer of the meet. Individual winners were: Jonathon Edwards, Keith Murphy, Nate Bean, and Ryan Layne.

Our girls' swim team finished third behind Jersey Village and Cy-Woods. Individual winners were Kathryn Eckhart and Katie Adams. Congratulations to Coach Chandler, Coach Davis, and all of our Cougar swimmers and divers. We want to wish our regional qualifiers good luck!!

At the district wrestling meet held at the Berry Center, we also had some great individual performances as our girls finished third and our boys fourth out of our 10 district high schools. Congratulations to the following cougar wrestlers who placed in the competition:

Megan Webster - third place finish  
Ashley Vaness - fifth place finish  
Anna McAleavey - first place finish  
Adamarys Peralta - first place finish  
Courtney Richardson - first place finish

Jeremy Long - first place finish  
Cody Corrington - second place finish  
Ricky Summers - second place finish  
Jordan McAleavey - first place finish  
Aehav Awde - fourth place finish  
Austin Parisi - sixth place finish  
Dillon Armas - fifth place finish  
Jonathan Pineset - first place finish  
Cody Powers - third place finish

Great job by our wrestling squads, Coach Kerr, and Coach Parr! We also want to wish the 10 wrestlers advancing to regionals in Allen, Texas, this weekend good luck as well.

This was a great weekend for our Cougars!! Several of our teams including basketball and soccer, were victorious reinforcing our own “Who dat?” response here at Cy-Creek.

Have a great Smart week!
