

RESULTS FOR CYPRESS CREEK HS 2007 ALL REGION, DISTRICT, AND AREA BANDS

On Friday, December 7th and Saturday, December 8th, 2007 forty-four students from the Cypress Creek HS band program were awarded placement in the TMEA Region 27 bands. This is an incredible accomplishment and the most number of band students from Cypress Creek HS to make Region band since the school's opening, over double the amount of students that made the region 27 bands in the past three years, totaling over 30% of the entire band program.

CONGRATULATIONS TO ALL PARTICIPANTS. WE ARE SO VERY PROUD OF YOU!
