These students have progressed through three rigorous auditions that require learning difficult repertoire and sight-reading challenges. In the beginning, 800 students from 25 high schools audition for 500 chairs at TMEA Region 27 District choir. At the Region level, 200 students are selected to participate in the Region Choir. The top 92 students are selected to audition and advance to Pre-Area. Finally, 40 students will advance to Area auditions. At this final level, students will audition in San Antonio on January 5 for the All-State Choir. Congratulations to our Cypress Creek Area Candidates and alternates. We are proud of you!!!!
