Dear Senior Parents,

Greetings from the Cy-Fair High School Journalism Dept. The following information should help answer your questions regarding yearbooks, senior ads and senior portraits. We want to make sure you don't miss any very important deadlines.

Yearbook Senior Portraits Deadline: Saturday, Oct. 31, 2009

This is the *only* way your student can appear in the "senior people" section of the yearbook.

Our official senior portrait photographer is Prestige Portraits. The studio provides tuxedos for the males and black V-neck drapes for "official" (color) yearbook photo. If you choose to take pictures at another studio, please make sure to use Prestige for your yearbook picture. There is not a sitting fee just to take your "yearbook" photo.

Please allow time to choose your preferred picture for the yearbook. If you put this off until the last minute, this may not be possible. Prestige delivers a CD with each senior's picture about two weeks after the deadline. These pictures are then shipped to the yearbook company. Once this happens, it is too late to get in any more pictures. The studio is located at 12946 Willowchase Dr. Phone: 281-897-8300. You must call for an appointment.

Senior Ads

These appear in the back of the yearbook and are popular with the students. This published message is an opportunity to personally congratulate your senior. Ads run from \$45 to \$325. Ads are in full color and available in four sizes. Remember, you can go in together with friends or family. Yearbook students design the ads. All you have to do is provide the photos and the message. All ads are due by Friday, October 30, 2009 at 2:30 p.m. Early (discount) deadline is October 16, 2009. Additional information/order form attached.

Yearbooks:

The 2009-10 (Spring Delivery) Bobcat yearbook is \$65. **The final deadline to order will be in mid February 2009.** You will receive reminders from Smart-Pay to order your book and we will have updates in the parent newsletter. Books not purchased in advanced are \$75. We order a limited amount of extra books. The easiest way to order a book is to go online to www.smart-pay.com. Click on the star shaped icon that says "Help" and follow the steps to order a book. They will send you order forms. For your convenience, a form is enclosed. (We do have extra books from last year. Please email me if you would like one.
