Spiral Notebook-120 count  
Protractor  
Compass  
Ruler  
Loose- leaf Paper  
Graph paper  
Colored Markers-Fine Tip

### Algebra II Algebra II K/H

Pencils  
Graph Paper  
Spiral Notebook-120 count  
Loose-leaf Paper

**\*\*Graphing calculators are used in all math classes. There will be calculators to use at school but will not be allowed to go home. The preferred graphing calculator is the TI-84 plus. This calculator will be used for all their math classes in high school. Any graphing calculator that you already have will be sufficient.**
