

## RAMS AFTER PARTY 2011

Attention Busy Parents of Juniors, Class of 2011! In order to kick off RAP (Rams after Party) we are starting our fundraising efforts by holding the “The Busy Parents Fund raiser 2011. Our goal for our Class of 2011 is to start their fundraiser while they are juniors so that their senior year will run smoothly. The more money we raise now, the less we have to raise their senior year. The senior school year is extremely busy and the less fundraising, the better. The “Busy Parents Fundraiser 2011” is the easiest way to become involved and takes no more effort than writing a check. Please help us get off to a great start by writing a check for \$20.11. If you would like to help start off our “ Busy Parents Fundraiser” please complete the form below and turn it in to the AP OFFICE with Attn. RAP 2011 on the memo line. You can also mail it to:
