

Class of **2013 RAP** **NEWSLETTER**

NOVEMBER 2009 ♦ VOLUME 1 ♦ ISSUE 1

Dear Freshman Parents: Please come and join other freshman parents to learn about Cy-Ridge Prom and After Prom Activities. We have to start early because it is impossible to do it all in just their senior year. There are so many expenses when they become seniors not to mention the fact that they are too busy to get involved and are just ready to finish! If we get the freshman involved early, we will have more participation. The more parents we have, the better we can make it! Again, please join us in the Commons at the dates detailed below.

What is RAP 2013

RAP 2013 stands for Rams after Prom. Rams after Prom provides a safe, drug and alcohol free alternative for seniors on their Prom Night. It keeps the students off the streets, prevents them from becoming an accident statistic, and allows parents to rest easy knowing that their son or daughter is safely celebrating.
