

Getting work for a child out ill

We have had lots of children out ill recently and I just wanted to remind all parents about how and when to request your child's makeup work.

When your child has been out **3** days you may call 281-373-2350 and talk to Alice Cabrera and Alice will fill out a makeup request form to be given to your child's teachers. The teachers will then get the work together and send to Alice for you to pick up the following afternoon. If your child is not out 3 days please refer to the weekly agenda emails you are getting to remind you what is coming due.

Remember the teachers will give your child the same amount of days they were absent to makeup any missed work.

Thank you,

Susan Carlson
Principal's Secretary
