## PROJECT PROM 2010

### Senior Parents:

This school year will be an exciting one for the Senior Class of 2010. The purpose of Project Prom is to sponsor and provide an alcohol and drug free after-prom party for JVHS seniors and their dates. Project Prom and Prom are two separate activities. Project Prom is held after the Prom at the high school from 12:00 a.m. to 6:00 a.m. and is sponsored by the parents of the graduating seniors. Project Prom is a non-profit organization and is not funded by the school or the district. It is funded solely through the efforts and contributions of the parents as well as through the generosity of local businesses.

Prom and Project Prom will take place May 14/15, 2010. We are currently working on a theme and logo. There will be many activities such as winning prizes, playing games, listening to music as well as enjoying good food.

In order for us to be successful in hosting such a worthwhile event, we need lots of volunteers as well as monetary contributions. Your involvement is both needed and appreciated. Several committees still need chairpersons. **We need your help in whatever manner you are able to do so.** The next scheduled meeting is Monday, 8/31, and future dates will be posted on the website. The website address is <http://jvprojectprom.org>. Please check the website often for announcements and upcoming events/opportunities. There is a place on the website to add your name to the email list.

For the success of this event we need adequate funding. All parents will be required to contribute \$20.10 in honor of their senior to kick off the fundraising and in order for your senior to attend Project Prom. This can be paid at any Project Prom meeting, or you may mail a check to JVHS Project Prom 2010, 7600 Solomon, Houston, Texas 77040. Please make your check payable to JVHS Project Prom 2010 and include your student's first and last name on the check. If we receive your donation by 10/1, your student will receive an extra 10 chances to be used for prizes. If you send in your contribution between 11/2 and 1/15, your student will receive 5 extra chances. Parents can also "adopt a student" by making a contribution for a student in financial need (This will also earn 5 extra chances.).

Please visit our website for Jersey Village Project Prom. There is a great deal of information and all forms can be retrieved from this website. If you would like to become involved, please e-mail or call Carolyn Grant or Joanne Granier with the contact information listed below.
