

Labay Middle School Course Syllabus 2008-09

Each teacher at Labay Middle School provides a course syllabus to students and parents during the first six weeks of a course. This document contains general information about the course in which the student is enrolled. Each six weeks teachers also provide a scope and sequence which describes six weeks units and lists major tests and assignments. The first six weeks scope and sequence is on the back of this course syllabus. Please be aware that a scope and sequence for any given six weeks grading period is subject to change based on student needs.

For all state-approved courses, the State of Texas has developed the Texas Essential Knowledge and Skills (TEKS) which define the guidelines under which CFISD must develop the objectives/skills for the course. The complete TEKS document, which was approved by the Texas State Board of Education (July 1997), may be found on the internet at www.tea.state.tx.us/teks and is accessible by teachers, parents, and students.

Additional information regarding programs in Cypress-Fairbanks ISD may be found on the internet at www.cfisd.net.
