## Memo

September 3, 2009

Dear Parents and Key Communicators,

Several parents have questioned how Lamkin will be handling the upcoming Presidential address on September 8<sup>th</sup>. We will not be interrupting the school day or instructional time to broadcast this address as the logistics and the timing of the broadcast makes it unfeasible to reschedule lunches, recess, large group and special programming. However, we will record the speech and make it available to anyone by checkout through our library.

President Obama's speech can be viewed via the internet at the White House website [www.whitehouse.gov](http://www.whitehouse.gov) and on a rebroadcast on our intranet, Inside.CFISD.net, or through CFISD channel 38.

Thank you for all of the support you provide to us. You may share this information with any concerned parents who ask about this event.

Gale Parker, Principal  
Lamkin Elementary
