Dear Parents,

On January 29th, we kicked-off our Spring Fundraiser which will continue through February 12th. The students will sell Otis Spunkmeyer cookie dough and World's Finest Chocolate bunnies. These monies will help us provide incentives and rewards for our students along with instructional materials and equipment. I want to thank you in advance for your support.

Also, I encourage you to share with your child the importance of doing their best on TAKS. For many of our students that means reaching a "Commended" status. Another reason to do well is because of the remedial courses which may be required next year if they fail TAKS. This would result in a loss of elective choices for them.

Finally, we are an exceptional school and we want to be recognized as one according to the state of Texas standards. In order for this to happen we must work together. I can promise you that the teachers will have covered all the TEKS necessary for your child to be successful on TAKS. However, I also know that they will need the motivation and a great attitude to do their best. This is where I need your help. Please let your child know what your expectations are of them on the TAKS.

Sincerely,

Susan Higgins
